Registering for Classes

Registering for Classes

9. To add a class from your search to your summary, click the “Add” button on the right of the screen, on the line of the class for which you would like to register.

10. You can also enter CRNs directly if you know them. Click the “Enter CRNs” tab in the “Register for Classes” section to search for a specific section; you can enter multiple CRNs in one request. Once you have entered the CRN(s), click “Add to Summary.”

11. You can also add a plan that you or your advisor has previously created, or add individual classes from one of those plans. If you planned using catalog courses, you will have to “View Sections” and add classes one by one. If you planned using sections, you can click “Add All” to move all classes into the Summary box.

Registering for Classes

12. Once you have added classes in any of these ways, they will show up in your Summary section in the bottom right-hand side of the screen in “Pending” status. You will not be registered for the classes until you click “Submit.”

Conditional Add and Drop **Submit**

13. If there are any registration restrictions, you will see a pop-up in the upper right-hand corner, the Action in the drop-down menu of the course in the Summary box will automatically change to “Remove” and an error message will display in red in the Status column. You will need to remove the course from the Summary box, have the override entered on your behalf, and then add the course back to the Summary box and click “Submit” to register.

Registering for Classes

14. Once you click “Submit,” the status of the course(s) will change to “Registered” in green. In the calendar view of your schedule to the left of the Summary box, you will see classes for which you have successfully registered with a green check mark next to their name(s).

15. If you would like to drop a class for which you have registered, select “Web Drop” from the drop-down menu in the Action column, and click “Submit.”

Conditional Add and Drop

16. Conditional Add and Drop* will allow you to attempt to change your schedule without losing your spot in a currently registered class. Add the new class to your Summary box, select “Web Drop” from the drop-down next to the course you want to drop, check the “Conditional Add and Drop” box, then click “Submit.” If the registration is successful, your schedule will show as all green. If there is a registration error for the new class, your schedule will remain unchanged, you will receive notification in the upper right-hand corner and you will have to remove the class with the registration restriction from the Summary box.

Unable to make requested changes so your schedule was not changed.
