Use this form only for new student-requested combined majors.

For currently defined combined majors, use the Program of Study Petition ([www.northeastern.edu/registrar/form-prog.pdf](http://www.northeastern.edu/registrar/form-prog.pdf)).

See [www.northeastern.edu/registrar/major-2.html](http://www.northeastern.edu/registrar/major-2.html) for further details, including a list of currently defined combined majors.

Instructions:

1. Before completing this form, please review guidelines for combined majors at [www.northeastern.edu/registrar/major-2.html](http://www.northeastern.edu/registrar/major-2.html).
2. The student must arrange a meeting with the two advisors representing the two disciplines. At this meeting, they will plan the combined-major curriculum, consider NU Core requirements, and complete part 2 of this form. A list of discipline advisors is available at [www.northeastern.edu/registrar/contacts-stu-req-combined.html](http://www.northeastern.edu/registrar/contacts-stu-req-combined.html).
3. After this meeting, the home advisor will complete parts 3 and 4 of this form (with the final college-level approvals in part 5 to be completed later) and send the form to the home college for approval by the college curriculum committee or other appropriate group. A list of college contacts is available at [www.northeastern.edu/registrar/contacts-stu-req-combined.html](http://www.northeastern.edu/registrar/contacts-stu-req-combined.html). *Note:* If one of the disciplines has a preapproved template program, then it does not have to be included in part 4. If both disciplines have preapproved template programs, then part 4 can be omitted altogether.
4. After review and approval, the home college will confirm approval by the second college, if appropriate. These approvals are entered in part 5. The home college will then submit the new combined major to the Registrar's Office via the Curriculum Requirements Form for New Undergraduate Combined Majors ([www.northeastern.edu/registrar/prog\\_frm\\_rqmts\\_combined.doc](http://www.northeastern.edu/registrar/prog_frm_rqmts_combined.doc)).
