

## Reading Your Audit

Your degree audit is a list of your degree requirements. Below is how to read the degree audit. All sections of your degree audit must be complete ('OK') to graduate.

### Foundation Courses

X = More courses are needed to fulfill the section

✓ = section is completed  
X = section is not complete

✗	Information Technology				
	SP18 ITC2016	3.00	A	End-User Data Analysis Tools	
	<b>Needs:</b>	<b>1 Course</b>			
	<b>Course List:</b>	<a href="#">ITC1200</a>			
	Management				
	FL16 MGT1100	3.00	A	Introduction to Business	
	FL16 MGT2310	3.00	A-	Organizational Behavior	
	Math				
	<b>Course List:</b>	<a href="#">MTH1100 (EQ)</a>			
✗	Discrete Mathematics				
	<b>Course List:</b>	<a href="#">MTH2400</a>			
✗	Philosophy				
	<b>Course List:</b>	<a href="#">PHL2140 (ER)</a>			

Sections that require more than one course will have a 'Needs' line

Courses followed by attribute will fulfill indicated NUpath requirement – NUpath can be found at the end of the audit

The 'Course List' line tells you what courses you need to take to fulfill each section.

When you complete all the courses in a section, the section will go 'OK.'

✓ = All courses in the section have been taken

✓	Information Technology				
	SP17 ITC2016	3.00	B+	End-User Data Analysis Tools	
	FL17 ITC1200	3.00	A	Operating Systems Concepts	
✓	Management				
	FL16 MGT1100	3.00	A-	Introduction to Business	
	SP17 MGT2310	3.00	A-	Organizational Behavior	
✓	Math				
	FL16 MTH1100	3.00	<b>T</b>	College Algebra	
✓	Discrete Mathematics				
	FL17 MTH2400	3.00	B-	Tech/Apps of Discrete Math	
✓	Philosophy				
	FL16 PHL2100	3.00	A	Business Ethics	

Transfer courses will appear on the audit with a grade of T
